Program Summary

This program will focus on diversity and its impact on the workplace. Topics include the concept of diversity as distinguished from that of inclusion and why both are important, variations in how people perceive differences, and the social psychology concept of “in-group bias.” Hypothetical vignettes will be utilized to spur discussion on situations that may arise in the workplace, explore our differences in interpreting those experiences, and suggest techniques that foster a more inclusive culture. The session will also address unspoken workplace rules and the challenges they present in a multicultural workforce, plus communication as a strategy to overcome stereotyping and bias.

Who Should Attend?

Registration is limited to Department of Law and Public Safety attorneys who have received an email notice from the Department’s Diversity and Inclusion Team. Those attorneys should follow the registration instructions contained in the invitation email to reserve a seat for this session. Please do not use the AGAI registration system for this program.
